About University Geomedi

Founded in 1998, University Geomedi is a prestigious private medical university located in Tbilisi, Georgia. The university is accredited by the National Center for Educational Quality Enhancement (NCEQE) and recognized by international bodies like WHO, FAIMER, and AMEE.

The MBBS program is delivered in English and follows the European Credit Transfer System (ECTS). The university is known for combining theoretical education with strong practical

training in affiliated clinics and hospitals. Graduates from Geomedi are well-placed in leading medical institutions both in Georgia and abroad.

Why Choose University Geomedi for MBBS?

Recognized by WHO, NMC (India), FAIMER, and AMEE

MBBS degree with 360 ECTS credits

No IELTS/TOEFL required for admission

Hands-on clinical training in university hospitals

Indian food and separate hostel options available

Internship and employment opportunities at University Clinic

English-medium program ideal for international students

Why Study in Georgia?

Georgia is fast becoming a top destination for MBBS abroad due to its low tuition fees, safe environment, and European-standard education. With modern infrastructure, cultural diversity, and a supportive ecosystem for international students, Georgia offers a perfect mix of academic excellence and lifestyle quality.

Life at University Geomedi

Life at University Geomedi is active, inclusive, and full of opportunities:

Early practical exposure at affiliated clinics
