About East European University (EEU)

East European University (EEU), established over a decade ago, is one of Georgia's leading private medical universities. Located in the capital city, Tbilisi, the university offers modern infrastructure and a globally recognized MBBS degree. More than 20,000 students have enrolled at EEU, making it a popular choice among international aspirants.

The university maintains partnerships with over 150 companies and provides international exposure through its multicultural faculty hailing from countries such as the USA, UK, France,

Austria, and more. The entire MBBS program is taught in English and designed according to European educational standards.

### **Why Choose East European University for MBBS?**

NMC, WHO, FAIMER approved

English-medium MBBS program

Affordable tuition fees

High-quality education and modern labs

International faculty and exchange programs

Internship opportunities in Georgian hospitals

Comfortable hostels with Indian food availability

6-year MBBS program with clinical training

### **Why Study in Georgia?**

Georgia is a safe and student-friendly country in Eastern Europe known for its diverse culture, rich traditions, and scenic beauty. Tbilisi, the capital city, is home to top medical universities and offers a comfortable living environment for international students. With affordable fees, a growing Indian student community, and globally recognized degrees, Georgia is becoming a top choice for MBBS abroad.

### **Life at East European University**

Students at EEU enjoy a dynamic and growth-oriented atmosphere. The university offers:

Fully furnished hostels with hygiene-focused mess

Separate accommodation for boys and girls

24/7 medical care and security

Participation in academic conferences and cultural events

Sports, dance, and hobby clubs

Opportunities for real-time hospital internships

Multicultural peer group for global exposure

EEU ensures that students grow both professionally and personally in a supportive environment.
