Study at Georgian National University SEU

About SEU (College of Medicine)

Georgian National University SEU, one of the top-ranking private universities in Georgia, is widely recognized for its advanced medical training, cutting-edge infrastructure, and global medical accreditations. SEU is ranked among the top five European university campuses and boasts one of the biggest, ultra-modern campuses in Tbilisi.

Established with the aim of providing world-class medical education, SEU's College of Medicine offers a 4.8-year MBBS/MD program followed by a 1-year internship, with training opportunities in Georgia, India, USA, UK, Europe, Australia, New Zealand, and UAE. The curriculum is internationally accepted and designed to match modern medical standards.

SEU is accredited and listed by WHO, FAIMER, IMED, UNESCO, AMEE, ECFMG, General Medical Council (UK), and other global directories, making its degree globally recognized.

Why Choose SEU for MBBS?

Recognized by WHO, NMC (India), FAIMER, ECFMG, and more
