About Tbilisi Medical Academy

Established in 1992, Tbilisi Medical Academy (TMA) is one of Georgia's earliest private medical institutions with over 28 years of excellence in medical education. Ranked 3rd among medical schools in Georgia by Forbes Georgia 2019, TMA offers internationally recognized degrees and produces highly qualified graduates working across the globe.

TMA follows a student-centered, evidence-based education model, using innovative teaching techniques and modern clinical training to prepare future healthcare professionals.

## **Why Choose Tbilisi Medical Academy for MBBS?**

Ranked 3rd among Georgia's medical schools by Forbes Georgia

English-medium MBBS program – 360 ECTS over 6 years

Recognized by WHO, NMC (India), FAIMER, AMEE, AMSE, WDOMS

No IELTS/TOEFL required (fluency can be assessed by Zoom)
