Study at Tbilisi State University

About Tbilisi State University (TSU)

Founded in 1918 by the renowned historian Ivane Javakhishvili, TSU is the oldest and most prestigious university in Georgia and the entire Caucasus region. It has been ranked the #1 university in Georgia by the University Ranking by Academic Performance (URAP) and is listed among the top 1000 universities globally.

TSU offers a globally recognized MBBS/MD program delivered in English, with a focus on integrated learning, clinical training, and research. The university houses over 20,000 students and 1,500 academic staff members across its 7 faculties and multiple campuses, research institutes, and affiliated hospitals.

Why Choose Tbilisi State University for MBBS?

Ranked #1 in Georgia by URAP
Recognized by WHO, NMC (India), FAIMER
Medium of instruction: English
360 ECTS integrated MBBS/MD program
Problem-based, active learning with clinical modules
Strong emphasis on ethics, public health & communication
Practical training at TSU-affiliated clinical hospitals
Located in Georgia's capital – Tbilisi

Why Study in Georgia?

Georgia is a top MBBS destination for Indian and international students due to its affordable fees, safe living environment, and European-standard education system. English-taught programs, a multicultural setting, and high academic standards make Georgia a reliable and welcoming choice.
