About BSU

Established in 1945 and located in the scenic coastal city of Batumi, Batumi Shota Rustaveli State University (BSU) is a government-funded institution committed to academic excellence and innovation. Named after the iconic Georgian poet Shota Rustaveli, the university is accredited by the National Center for Educational Quality Enhancement (NCEQE) and recognized by international bodies such as WHO, NMC (India), and FAIMER.

BSU offers a globally recognized MBBS program in English, designed to meet the needs of both Georgian and international students. The university integrates strong theoretical foundation with practical exposure through its affiliated clinics and hospitals, preparing students for successful global medical careers.

## **Why Choose BSU for MBBS?**

Recognized by WHO, NMC, FAIMER  
Government university with international reputation  
English-taught MBBS program with 360 ECTS  
Modern classrooms, labs & hospital tie-ups  
Affordable tuition fees and low cost of living  
Safe and student-friendly coastal city – Batumi  
Indian food & separate hostel for international students  
Internship opportunities in university-affiliated hospitals

## **Why Study in Georgia?**

Georgia is a growing hub for MBBS education due to its European-standard curriculum, affordable fees, and welcoming environment. With English-medium instruction, high safety index, and global recognition of degrees, studying in Georgia is an excellent choice for aspiring doctors from India and around the world.

## **Life at BSU**

At BSU, student life extends beyond the classroom. The university provides a nurturing and globally diverse environment that supports personal and professional growth:

Hands-on medical training from early semesters

Exchange programs and international scientific events

Cultural clubs, seminars, and student organizations

Fully equipped library, e-resources, and tech labs

Indian mess facility and separate boys/girls hostels

Located in a vibrant seaside city with subtropical climate

## **Features**

Post Graduation Opportunities Globally

Internship & Hospital Rotations Included

No IELTS/TOEFL Required

Approved by NMC (India)

Ideal for Indian and international students

Focus on research, ethics, and clinical excellence

## **Location**

GEORGIA, Batumi

Batumi, the second-largest city in Georgia, is a stunning Black Sea resort known for its beauty, diversity, and rich student culture. It's an economic hub for tourism, shipping, and innovation — offering a perfect backdrop for student life.
