Study at Kutaisi University

About Kutaisi University

Established in 1991, Kutaisi University (UNIK) is a reputable private medical university located in Kutaisi, Western Georgia. Recognized by WHO, FAIMER, ECFMG (USA), and the National Center for Educational Quality Enhancement (NCEQE), the university offers globally accepted medical education aligned with the Bologna Process and problem-based learning.

The MBBS program is taught in English, combining academic knowledge with clinical skills, advanced simulation-based training, and early exposure to real hospital environments. Kutaisi, being a medical hub of Western Georgia, offers a wide range of clinical bases and medical partnerships for hands-on practice throughout the course.

Why Choose Kutaisi University for MBBS?

Recognized by WHO, FAIMER, NMC (India), ECFMG (USA)
MBBS degree taught fully in English
Advanced Clinical Skills Centre with VR simulation
Affiliated with top medical institutions in Kutaisi
Fully computerized OSCE-based exam system
Indian food and separate hostel options available
Active student exchange via Erasmus+ and international programs

Why Study in Georgia?

Georgia offers high-quality education at an affordable cost, with globally recognized universities, English-taught programs, and excellent safety standards. The cultural richness, low cost of living, and welcoming environment make it a preferred destination for MBBS aspirants from India and abroad.

Life at Kutaisi University

Life at Kutaisi University is practical, modern, and student-focused:
