Orel State Medical University

Orel State Medical University is established in 1931 and named after I.S. Turganov, Orel State University is a premiere Russian institution located in the city of Oryol. It is the only multidisciplinary educational institutions in the region offering continuous training of specialists in pedagogy, medicine, engineering, humanities and natural sciences. Originally it was established as the Pedagogical Institute, it was renamed as Orel State Institute on 11 September 1996. Today the University is recognised for offering one of the best MBBS programs in Russia.

ACADEMIC STRENGTH

Currently, the medical institute comprises 16 departments staffed by over 100 faculty members, including 30 professors, 77 associate professors, 12 academicians, 3 honoured scientists of the Russian Federation and 11 members from other academic organizations. The university offers 297 academic programs for more than 940 medical doctors and students.

Approximately, 2,000 international students, including over 400 from India are pursuing medical education at Orel State University.
